June 25, 2020

Dear State of Texas GBP Participant:

Community First Health Plans (CFHP) is proud to be the Health Maintenance Organization (HMO) offered through the Texas Employees Group Benefits Program (GBP) in your service area for Plan Year (PY) 2021. For 25 years now, CFHP continues to be the only locally owned and managed HMO based in San Antonio. What this means to you is that our corporate offices are right here, and the people responsible for the services you receive are your neighbors. The fact that we are a non-profit/tax-exempt organization means revenues stay in your community and are used to improve our level of service to you.

You will find detailed information about our benefits on our website at <u>members.cfhp.com</u>. The Certificate of Group Health Care Coverage contains a complete description of how CFHP delivers its medical care and an explanation of our complaints and appeals process. The website also includes an updated Preferred Drug List, which indicates Tier 1, 2, and 3 medications.

To find a primary care physician (PCP) in the CFHP network: 1. visit the CFHP site through the ERS website at <u>members.cfhp.com</u> and 2. click on "Find a Provider" at the top of the page.

Important Announcements:

Value-added vision benefit – You have benefits to receive one eye exam per year. In addition to that benefit, CFHP offers you a value-added benefit which includes discounts on frames, lenses, and more.

A flyer with details on the enhanced benefit is included in the PY 2020 Annual Enrollment materials and is also available at members.cfhp.com.

- Provider Network You and your covered family members have the option to see a First Health Network provider in an urgent or emergenacy care situation while traveling outside of the CFHP HMO service area. If you are in need of urgent or emergency care while you are traveling outside of the service area, you may contact First Health at (800) 226-5116 to locate a provider.
- Online Health Risk Assessment Program CFHP is pleased to
 present this private and confidential opportunity for you to assess and
 make healthy behavioral changes to your lifestyle. We are offering you
 and your eligible dependents the opportunity to complete an online
 health risk/behavioral assessment at no cost to you.

ERS cannot and does not guarantee the length of time that a specific type of "Value-Added" product shall be offered.

Any questions or concerns about these products should be directed to the sponsoring HMO.

We look forward to being of service once again to the State of Texas and higher education employees, retirees, and dependents.

Sincerely,

Theresa Scepanski Interim President and CEO

GBP FACT SHEET

Community First Health Plans (CFHP) is proud to be offered by the Texas Employees Group Benefits Program (GBP). Here are some facts you might want to know about CFHP:

- CFHP is the only local non-profit HMO in San Antonio, TX. We serve the following counties: Atascosa, Bandera, Bexar, Comal, Guadalupe, Kendall, Medina and Wilson.
- The administrative staff, including the Member Services Department, is located in San Antonio.
- Our robust provider network includes 23 hospitals, more than 550 primary care physicians (PCPs) and over 1,700 specialists.
- Our Members are our priority. As such, we have a dedicated member services lines for GBP participants. You may call toll-free (877) 698-7032 (TTY: 711) or (210) 358-6262. Member Services hours are Monday to Friday, 8:30 a.m. to 5 p.m. CT After hours, phone calls are routed to CFHP's nurse advice line.
- Our office is located at 12238 Silicon Drive, Suite 100, San Antonio, Texas 78249. For more information, visit members.cfhp.com.
- As a CFHP member, you must select a PCP. To find a PCP, use the CFHP provider directory available on our website. Once you find the PCP you'd like to use, call Member Services at (877) 698-7032 to let us know your PCP choice. If you do not choose a PCP at the time of enrollment, CFHP will assign one to you. You may, however, change the PCP selected for you by calling the CFHP Member Services Department.
- Current members may change their PCP through the secure Member Web Portal on the CFHP website at <u>members.cfhp.com</u>. You may also call Member Services to make this change.
- CFHP is an open access plan. This means that you do not need a referral from your PCP to see a network specialist. However, your specialist may still require a referral as part of their office policy prior to seeing you.

Disease and Population Management

CFHP has many programs to help you stay healthy, including:

Asthma Matters – to provide you with some of the tools you need to prevent chronic and troublesome symptoms and improve your well-being. Members who have asthma are encouraged to complete a health survey. Based on the results, you will be enrolled in the asthma program that is right for you.

Healthy Expectations – for pregnancies, provides you with health educators and nurses to work with you and your doctor to provide information and answer questions about your pregnancy.

Diabetes in Control – gives you ongoing information on diabetes education topics.

Behavioral Health – to provide information and assist you with choosing a professional counselor or doctor who can help you.

Case Management – to assist members who have chronic health conditions that require health care services from several different providers. CFHP Case Managers work with you, your family members, your doctors, and other members of your health care team to be sure you are getting the type and level of care you need.

ERS will conduct Summer Enrollment webinars in place of Summer Enrollment fairs .

CFHP will offer online Benefits Question & Answer (Q&A) Sessions.

The session will include our benefits presentation along with a chat feature for employee interaction with our plan representative. Dates and times of online sessions are listed below. Any additional information can be found at www.ers.texas.gov.

June 25 from 3pm-4pm July 9 from 1pm-pm July 17 from 3pm-4pm

Wellness is Important to CFHP

Our Preventive Health and Disease Management Department provides a variety of avenues to educate and remind members of preventive measures they can take. These include:

- Online Health Assessment Program This web-based program assists in managing the member's health.
- Flu shot direct mail campaign.
- Mailed reminders to women who are late getting their mammograms.
- Reminders for Pap smears begin at age 19.

CFHP allows you to seek mental health or substance abuse care without a referral from your PCP. Your treatment may require authorization from CFHP for further services, but the strictest confidentiality is maintained. Unlike most health plans, CFHP manages your behavioral health benefits from the same department that we manage your medical benefits. That means our behavioral health care coordinators are onsite to help you get the assistance you need.

Once you have chosen CFHP, if you or a dependent are interested in enrolling in one of these programs, call our dedicated GBP participant member services line at (210) 358-6262 or toll-free at (877) 698-7032 and they will connect you to our Preventive Health and Disease Management Department. They can explain these programs to you in detail and tell you how to enroll.

Benefits for Plan Year 2020

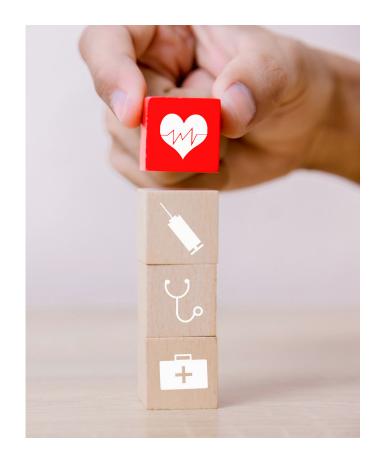

Please review the Summary of HMO Benefits for detailed information on copays and other cost-sharing. If you need help understanding the Summary of HMO Benefits, please call our Member Services Department at (210) 358-6262 or toll-free at (877) 698-7032 (TTY: 711).

CFHP Member Resources

Our web-based Member Portal is available to all members. You can look at your eligibility information, check the status of your claims, and communicate in a secure environment with our Member Services Department.

We offer a prescription medication discount card for any of your family members who are not on your GBP coverage and who do not have other pharmacy benefits.

*ERS cannot and does not guarantee the length of time that a specific type of "Value-Added" product shall be offered. Any questions or concerns about these products should be directed to the sponsoring HMO.

PREFERRED DRUG LIST

Three-Tier Preferred Drug List effective September 1, 2020

In an effort to meet the needs of our members, we worked with the P&T Committe to develop this Preferred Drug List and ensure you receive cost-effective prescription benefits, emphasizing quality and safety. The P&T Committee is made up of CFHP physicians and other health care providers. Using this list will allow CFHP to keep its prescription benefits affordable for you. While you can receive any medication your physician chooses to prescribe for you, medications not listed below may not be covered or may be considered a third-tier medication at a higher copay. Information about prior authorization requirements or limitations for certain medications is available to prescribers via the Navitus Web Portal. You may reach Navitus Customer Care toll-free at (866) 333-2757 (TTY: 711), 24 hours a day 7 days a week (Closed Thanksgiving and Christmas Day).

Reading the Drug List

Generic drugs are listed in all lower case letters. Brand name drugs are listed in all upper case letters. Each drug product is assigned a coverage tier, shown to the right of each drug product.

		Relative Cost to Member
Tier 1	Formulary generics and some lower cost brand medications	\$
Tier 2	Formulary, brand products	\$\$
Tier 3	Non-preferred formulary products	\$\$\$

Cases where drug products are followed by parentheses indicate that the entry relates to a certain dosage form, e.g. ESTRACE (vaginal cream) or more than one form of the drug, e.g. ZOMIG (ZMT). Quantity limits are for prescriptions filled at retail pharmacies. Please consult the complete version of the formulary for mail order quantity limits.

All newly approved drugs on the market will NOT be covered initially, pending further review by the Navitus P&T Committee. A complete version of the Navitus Formulary, as well as information on prior authorization and clinical programs, are available at www.navitus.com.

Refer to the legend for more information about the drugs on this list.

VISION BENEFIT FREQUENTLY ASKED QUESTIONS

Do I need to give Community First Health Plans the name of the provider I have selected to receive my vision care services?

No. Unlike some benefit plans, it is not necessary to preselect your provider or to give Community First Health Plans the name of your provider prior to receiving services. You need only to select your provider, make your appointment, and identify yourself as a CFHP Commercial member to the provider.

Can I get my eye examination at one location and the materials at another?

Yes. Each provider will contact CFHP to verify your eligibility.

Do I need to obtain authorization prior to receiving services?

There are no preauthorization requirements for this program.

Can I combine this insurance with sales offered by the provider?

Your insurance benefits remain the same regardless of the sales offered by the provider. However, some providers prohibit the combination of insurance plans with sales or discounts.

Is there an Envolve website?

Visit <u>visionbenefits.envolvehealth.com/cfhp/</u> for information about your vision benefits and providers.

HOW TO USE YOUR BENEFITS

Do I need to show an ID card to the provider to receive my benefits?

Your CFHP ID card identifies you as a member and identifies the plan under which you are covered. We recommend that you show the provider your ID card. However, you may receive services without the ID card. Simply identify yourself as CFHP member with proper personal identification, social security number, and the name of your employer. The provider will verify your eligibility and benefits.

Do my covered dependents need to have ID cards?

No. To use the vision benefits it is not necessary for dependents to use personal ID cards. However, for member convenience, an individual personal CFHP ID card is issued to each covered member.

Do I need to bring any forms with me to the provider?

Forms are not required.

Under what situations do I make payment directly to the provider?

You will pay the provider for the following: Your plan copayment; any charges over and above your plan allowance; any ophthalmic lens add-ons; any service or item that is listed as non-covered by your routine vision plan.

ADDITIONAL BENEFITS

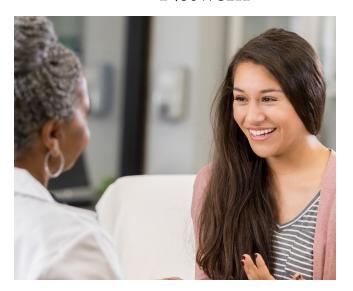

First Health Network

Community First Health Plans (CFHP) is pleased to offer an enhanced travel network provided to you through First Health Network. With this expanded network, you and your covered family members have the option to see a First Health provider in an urgent or emergency care situation while traveling outside of the CFHP HMO service area.

When accessing urgent or emergency care through First Health, you will be required to pay your usual copays as described in the Schedule of Benefits at the time of service. (Schedule of Benefits can be found on our website members.cfhp.com) If you are admitted to a hospital, you or your representative need to notify CFHP as soon as possible so we can issue an authorization for your benefits, and we can begin to assist in the guidance on how benefits can be applied to the charges associated with the care. The information needed is noted on the back of your ID card.

To view a list of First Health providers and hospitals, please contact First Health at (800) 226-5116 or visit www.myfirsthealth.com. If you have any questions about how this travel option works, please contact our Member Services Department at (210) 358-6262 or toll-free at (877) 698-7032.

Women's Preventive Services

Under the Affordable Care Act, certain women's preventive services are covered at no cost to you. Below is a list of items which are included:

- Well-woman exam
- Cervical cancer screening
- Breast cancer screening
- Oral contraceptives birth control pills
- Emergency contraception Next Choice and Plan
 B One–Step (when presented with a prescription)
- Implantable devices and vaginal ring Implanon (subdermal rod), Mirena (IUD), Nuva Ring (vaginal ring)
- Injectables depo Provera
- Other birth control items Diaphragm, cervical cap, spermicide, foam, female condoms, transdermal patch

Please call Member Services at (210) 358-6262 or toll-free at (877) 698-7032 for more information, as some restrictions may apply.

Under the affordable care act, certain preventive and women's health services are paid at 100% (i.e., at no cost to the member) dependent upon physician billing and diagnosis. In some cases, you will be responsible for payment of some services.

Online Health Risk/Behavioral Assessment

CFHP is pleased to present this private and confidential opportunity for you to assess your current health behaviors and identify areas that you could make healthy lifestyle changes. We are offering you and your dependents, who are 18 years and older, the opportunity to complete an online personal health assessment (PHA), offered in partnership with Get Healthy with CFHP at no cost.

We understand your privacy is very important. Please be assured that the Get Healthy with CFHP PHA is confidential. Your personal health information will be protected and is not shared with your employer. As a member of CFHP, you have the opportunity to receive a personalized guide to a healthy and vibrant life. The programs are easy to understand, are interactive, and best of all, they work.

Our commitment to our families and ourselves is simple: Getting and staying healthy means longer, happier lives.
